

PRESS MEMORANDUM

March 9, 1953

Office of the Governor

The Governor has signed H.B. 53 (Pipkin), providing that a city, town or village may provide by ordinance for the appointment of a recorder of the corporation court. (New article relating to cities, etc., not incorporated under special charter, or not incorporated or adopting the Home Rule Amendment.) Immediate effect.

The Governor has vetoed H.B. 310 (Vale), authorizing an election for purpose of creating a county-wide school equalization fund in certain counties. (This bill was submitted to Attorney General, who held that it was a "bracket" bill. Vetoed on basis that it contravenes the Constitution.)
